**Subject Choices 2017**

Applicable to Grade 10, 11 and 12 Students

Please complete the form (Page 1 and 2) to indicate the subjects taken by the student. According to the Western Cape Education Department requirements the student must take SEVEN subjects (Life Orientation included), unless the student qualifies for exemptions.

Please note that changes are not allowed unless discussed with the school and approved by the Western Cape Education Department.

If you are unsure of the student's subjects, you are welcome to contact the office to schedule an appointment.

Should the student need to change a subject, please send a request in writing to the school.
